### **Essay #2: *Room for Debate***

**Prompt:** Please choose a *Room for Debate* topic and compose a persuasive argument that illustrates your position on the issue. I ask that you use MLA or APA style and at least these three sources from the following areas: 1) *Room for Debate*, 2) Online Library Database, 3) Video. You may collaborate on this project. Please do not exceed four members in your collaborative team.

**Purpose:** To persuade.

**Audience:** Your primary audience is people who would disagree with your position. Your secondary audience is people who visit your site, including your classmates and me (your teacher).

**Style:** Please use MLA or APA style to cite at least three sources that support your thesis and argument. Please avoid using sweeping, unsupported statements. **Focus:** Your focus will depend upon your topic and position.

**Thesis:** I suggest you write a clear thesis statement that includes a topic, position, and supporting points (TPS). Typically, your thesis statement is one sentence long, appears at the end of the introduction, and communicates the focus of your essay.

**Rebuttal:** Please include opposing opinions in your text. Also, be sure to respond to these opposing opinions.

**Process:** To begin, *Think On Paper* about the issues surrounding your decision: freewrite, list, cluster, discuss, and read other expert opinions to generate ideas and answer the following questions:
